PHAZ

HYALURONIC ACID COMPLEX

Post-care hydration formulated with pure Hyaluronic acid and Zinc to promote an optimal healing environment.

KEY INGREDIENTS	BENEFITS
Hyaluronic Acid	<p>Binds 1,000 times its weight in water to keep skin comfortable.</p> <p>Creates a natural barrier between the skin and the environment to help prevent trans-epidermal water loss.</p> <p>Helps minimize the appearance of skin redness triggered by dehydration. Ideal for use to re-hydrate skin following any procedure.</p>
Zinc	Helps to provide antibacterial benefits.
Copper	Collagen enhancing.

AS NEEDED • ALL SKIN TYPES

Skincare concern:

Post-treatment dehydration and redness. Can also be used as glide during select procedures such as microneedling.

Application:

Apply to clean, dry skin as needed or as directed by skincare provider.

Ingredients:

Sodium Hyaluronate, Magnesium Aspartate, Zinc Gluconate, Copper Gluconate.

Pearls of Retinol

0.5% AND 1.0% MICRO ENCAPSULATED ALL-TRANS RETINOL

Nightly Skin Renewal Serum

KEY INGREDIENTS & BENEFITS:

- **Portulaca Oleracea Extract** - Serious antioxidant and wound-healing benefits for calming irritated skin while hydrating with antioxidant compounds such as glutathione.
- **Pelargonium Graveolens Extract** - Balance sebum while boosting and improving skin elasticity.
- **Sophia Angustifolia Root Extract** - Provides skin brightening effects due to its ability to inhibit tyrosinase, a key enzyme involved in the synthesis of melanin.
- **Chrysanthemum Indium Extract** - Anti-inflammatory helps address skin irritation, redness, and chronic conditions, such as eczema and psoriasis
- **All-Trans Retinol** - Micro-encapsulated All-Trans Retinol penetrates and stimulates skin renewal, greatly diminishing the signs of aging.
- **Sucrose** - Functions as a natural exfoliant and humectant moisturizer, drawing moisture to the skin's surface and giving skin a hydrated glow.
- **Mentha Arvensis Leaf Extract** - Facilitates oil secretion, making it an effective component for blemish control. Delivers a cooling-sensation.
- **Arginine** - Hydrates and restores moisture to keep skin firm, plump and smooth.
- **Panthenol** - Anti-inflammatory protectant helps improve hydration, elasticity, and smoother skin appearance
- **Hyaluronic Acid** - Natural humectant that draws up to 1000 times it's weight in water to the skin surface for improved anti-aging, skin soothing benefits.

PM • ALL SKIN TYPES
